**Directions to Venue: Peninsula Radiology Academy,**  
Plymouth International Business Park  
Plymouth  
PL6 5WR  
Venue Tel: 01752 437437

## By Road

**From the South:** The A38 Devon Expressway provides direct links between Plymouth and Exeter, the M5 and the rest of the UK's motorway network. The Radiology Academy is situated within the Plymouth International Business Park, which is only five miles from Plymouth City Centre. It is one mile north of the A38, served by the A386 Tavistock Road, the main north/south route in and out of the city. From the M5 go directly onto the A38 continuing until the Manadon Junction Roundabout, then merge onto the A386 Tavistock Road (signposted Tavistock, Airport) which is a busy dual carriageway. Follow the signs for Derriford Hospital. You will see signs for Plymouth International Business Park, and then position yourself into the right filter lane.

Upon entering the business park you will pass the Future Inn hotel on your left and the Land Registry on your right. Proceed to the roundabout and turn right, then right again when you see the Rok building. Turn right, proceed and you will see the Radiology Academy at the top of the hill.

**From the West:** The A30 and A38 provide the two major road links from Cornwall to the A38 Devon Expressway which links onto the rest of the UK's motorway network. At Tamar Bridge Roundabout take the first exit onto the A38 Devon Expressway continuing until the Manadon Junction Roundabout, then merge onto the A386 Tavistock Road (signposted Tavistock, Airport) which is a busy dual carriageway. Follow the signs for Derriford Hospital. You will see signs for Plymouth International Business Park, and then position yourself into the right filter lane.

Upon entering the business park you will pass the Future Inn hotel on your left and the Land Registry on your right. Proceed to the roundabout and turn right, then right again when you see the Rok building. Turn right, proceed and you will see the Radiology Academy at the top of the hill.

**Car Parking** is limited at the Peninsula Radiology Academy and the allocation of parking spaces operates within the bounds of the Derriford Hospital Green Travel Plan. Members of staff from Plymouth Hospitals NHS Trust are not permitted to park on site and must use the mini bus facility available.

## By Rail

Plymouth is on the main London to Penzance line, with hourly services to London Paddington and regular links to all major UK cities. Taxis to the Radiology Academy can be found outside the station entrance.

Wherever possible visitors to the Academy are asked to make use of public transport.
